

Thank you for fundraising for PKS Kids! Your support, dedication and hard work will make a difference.

Some things to remember:

1. PKS Kids is available to assist you! If you need help or have questions, let us know.
2. Please complete the Fundraiser Overview form and return it as soon as possible. We'll present your fundraiser to the board and will contact you with approval or any questions we have.
3. We will approve your request for a budget for anticipated expenses and this will allow you to be reimbursed for items, etc you pay for up front.
4. Keep ALL your receipts! These are required for reimbursement.
5. There are forms you'll need to complete throughout the planning of your event and following it. These need to be completed to comply with our accountant. They are included in a separate attachment. (Please note there are multiple sheets on the excel worksheets)
6. Be original! All fundraisers don't have to be the same. Try something that works well in *your* community!
7. PKS Kids does not have insurance coverage that extends to your event. Just something to note in case you're asked.
8. Once approved and if you desire, we can send you the logos to use for your advertising, etc.
